

Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Monday 14 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Dry start but rain soon spreading in, winds strengthening Tuesday.

This Evening and Tonight:

A few light showers between the late sunshine then clear spells through the evening, with outbreaks mainly across Lewis, Sutherland and Caithness. Largely dry overnight with westerly winds easing. Minimum temperature 6 deg C (43 deg F).

Tuesday:

A dry start but cloud soon thickening from the west in the morning to bring an area of occasionally heavy rain from late morning, which clears to the east overnight. Maximum temperature 18 deg C (64 deg F).

Outlook for Wednesday to Friday:

Mainly dry through the outlook period with a lot of bright and sunny weather. Perhaps a few light showers for the Western Isles. Winds mostly light.
